

## UNICEF ePD Step by step guide

**Purpose:** Associating unassociated Programme Document output to CP output

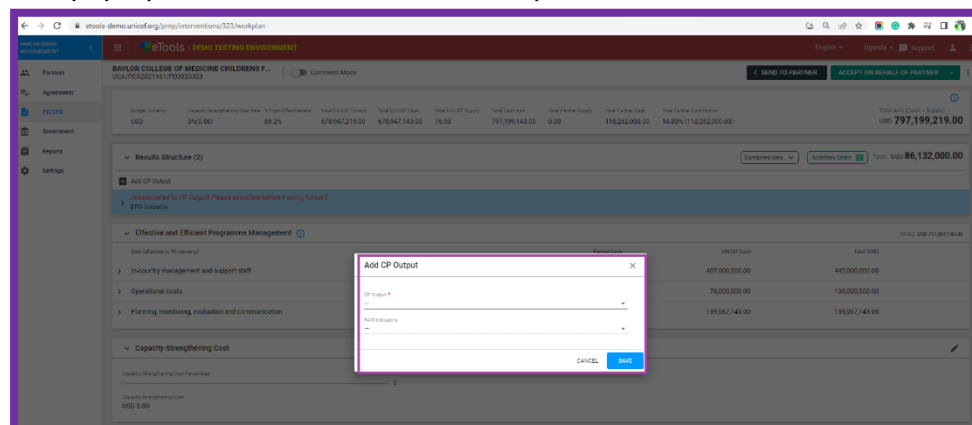

**Who:** UNICEF focal point

**When:** PD/SPD is in a development phase, the UNICEF partnership focal person completes the Country programme outputs and links them to the Programme document outputs drafted by the partner focal point.

**Step 1:** Add the relevant CP output and indicators

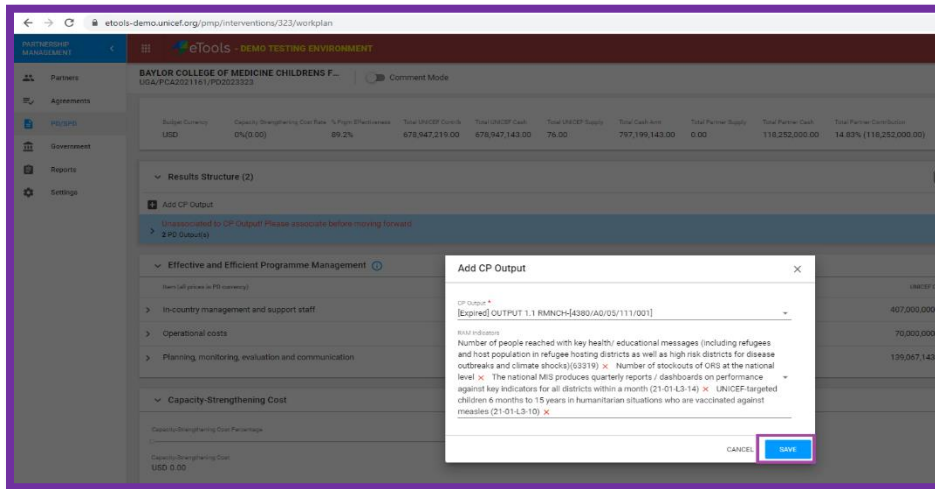

**Step 2:** In the pop-up screen, add the relevant output and RAM indicators

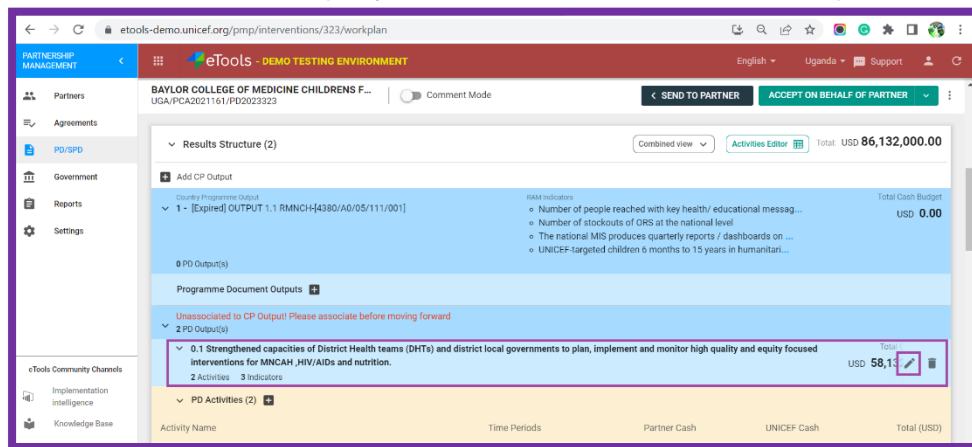

**Step 3:** Click save

# UNICEF ePD Step by step guide

Step 4: Hover over the PD output you wish to associate with a CP output

Step 5: Select the CP output from the dropdown list and click save. Repeat this action for all unassociated PD outputs.
